Plan Your Trip

Welcome to the 2018 Winter ICT Educators' Conference.

This is the 2nd Annual WASTC hosted the Winter ICT Educators Conference that was birthed by MPICT. We believe that the value of this conference is in the shared knowledge, experience, and wisdom each of you bring to ICT education. So we are thrilled you have planned to attend and hope you will take the time to share your valuable knowledge with this broader ICT educator community at the conference.
